

This is a beta version of the representative network models/datasets (final version will be the one uploaded in JRC data catalogue). Data are provided to You on confidential and non-use basis. Data are the Intellectual Property of the European Union. They cannot be disclosed, transferred or made available in any way to any third party. You shall make use of such Data only and strictly limited to modelling and simulation purposes. The obligations of confidence and non-use shall not apply from the moment the Data are published by the European Commission.

## **Disclaimer**

Unless the following would not be permitted or valid under applicable law, the following applies to the Data provided by the JRC:

1. Data are provided "as is" and "as available" without warranty of any kind, either express or implied, including, but not limited to, any implied warranty against infringement of third parties' property rights, or merchantability, integration, absence of latent or other defects, satisfactory quality and fitness for a particular purpose. Data do not constitute professional or legal advice (if you need specific advice, you should always consult a suitably qualified professional).
2. The EU has no obligation to provide technical support or remedies for the Data. The EU does not represent or warrant that the Data will be error free or uninterrupted, or that all non-conformities can or will be corrected, or that any Data are accurate or complete, or that they are of a satisfactory technical or scientific quality.
3. The EU shall not be held liable for any direct or indirect, incidental, consequential or other damages, including but not limited to the loss of data, loss of profits, or any other financial loss arising from the use of the Data, or inability to use them, even if the EU is notified of the possibility of such damages.

This Licence shall be governed by and construed in accordance with the law of the European Union, complemented where necessary by the substantive law of Italy. In case any dispute, controversy or claim arising out of or relating to this Licence cannot be settled amicably between the Parties, it shall be subject to the jurisdiction of the General Court of the European Union in Luxembourg.
